MICHEL OMAR AFLAK

Paris, France

(+33)630924591 ◇ aflakomar@gmail.com

EDUCATION

INSEEC London, *Engineering School*   Sept 2018 - Dec 2018
Image Processing, NLP, Blockchain

Ecole Centrale d'Electronique de Paris, *Engineering School*   Sept 2017 - *Present*
Graph Theory, Math Analysis

Institut Supérieur d'Electronique de Paris, *Engineering School*   Sept 2016 - Jul 2017
Control Theory, Calculus & Linear Algebra

EXPERIENCE

Software Engineer Intern - RandomCoffee   STATION F, Paris.
RandomCoffee believe in improving human interactions inside companies. The way they do it is by organizing random coffees between employees based on their preferences. My task was to improve the matching algorithm.   Dec 2018 - Feb 2019

Machine Learning Intern - Tribe   Los Angeles, California.
Tribe is a live-cam mobile app with embedded AR games. My task was to develop a machine learning model meant to recognize user hand gestures on their application.   Jan 2018 - Feb 2018

Android Developer - Stroll Planner   Paris, France
Stroll Planner is a project I created with a coworker. Our goal is to simplify the organization process of roller stroll events in cities. Adopted by several associations in France. PlayStore.   Dec 2016 - *Present*

AWARDS

France Engineering Olympiad - Schneider Electric   Paris, France
"Best Scientific Innovation" award. 6th national place, 2nd regional place. Arrow impact prediction system.   May 2016

Paris Engineering Olympiad - GRDF   Paris, France
3rd regional place, reached national competition. Gyroscopic mouse designed to filter essential tremors (movement disorder).   May 2015

SKILLS

Programming	C, C++, Java, Kotlin, Python, NodeJs, Matlab
Tools	Git, Shell, Firebase, LaTeX, Make
Patterns	MVC, MVP, Clean Architecture
General	Mathematics, Machine Learning, Physics

MEANINGFUL LINKS (CLICKABLE)
